MAHANA

Mahana is a Tahitian word meaning sun. It also stands For the enlightenment of knowledge and the Light of spiritual Love. The house symbol for Mahana was chosen for several reasons. The cross itself represents spiritual Love symbolized by christ's death upon the cross. The interlocking circles at the point of intersection represent unity within the house and thaughout the campus. One circle has a heavier line than the other, giving it the meaning of the sun with the rays extending out from it. The extension of the cross may also be considered rays. The "M" at the base of the cross stands for our name - Mahana, The colors which have been chosen to represent Mahana are pale yellow and gold, for both are colors of the sun.

Charlie Brown musical begins

Charles Schultz's Peanuts characters come to life in the Homecoming production of "You're a Good Man Charlie Brown" opening on the MSC stage on Thursday, October 19, and continuing through Saturday..

marcia campbell

Charlie, Lucy, Linus, Schroeder, Patty, and Snoopy will dance and sing their way into your hearts in this delightful musical day in the life of Charlie Brown. Snoopy (Dean Robinson) bell) lectures Linus (Ron Sutton), Patty (Adrian Wilson) organizes a rabbit hunt, Schroeder (Rod Caldwell) ponders over Beethoven, and Charlie Brown (John Doty) dreams of his little red-headed girl.

Each one comes to the end of the day thankful for the small pleasures it has brought them - and thankful for each other.

Providing music for the show is an ensemble directed by Sue Author. Instrumentalists include Julie Jones, piano; Jeanne Guinee, flute; Steve Newcom, percussion; Debbie Marlowe, bass, and Sue Author, xylophone.

"Charlie Brown" is directed by Celia Schall with John Horner, assistant director. Production crews include Chuck Erickson, stage manager; Kath Erickson, choreographer; Chris Beck, lights; Donna Campbell, wardrobe and make-up mistress; and the play production class.

Five performances are scheduled for Homecoming in addition to a children's matinee. The Thursday evening performance at 7:30 p.m. is for Graceland students, faculty, and staff. The performances on Friday and Saturday will begin at 6:30 p.m. and 9 p.m. each evening. Since seating is limited to 400, playgoers are urged to obtain their tickets early. Graceland students, faculty and staff may obtain tickets at no charge by presenting I.D.'s at the MSC office.

Hockey scores double victory

The Jacket field hockey team scored a double victory Saturday, blanking Iowa State 3-0, and edging Grinnell 2-1. Big G is playing extremely well against larger schools that have had organized field hockey teams longer than Graceland. The overall Jacket record is three wins, one loss, and one tie.

In the Iowa State game, goals were scored by left wing Karla Steede, right halfback, Diane Gillette, and right inner, Jean McKenzie. Goalie Susan Robinson played an outstanding game, letting no goals be scored against her.

In the Grinnell contest, goals were scored by center forward Diane Heiland and left inner Linda Rowe. In this game, several goals were called back due to numerous Jacket penalties. Kathy Anderson did a good job defending the goal.

Coach Betty Welch was very pleased with the team's performance, especially with the offensive line. Linda Hintzsche passes extremely well, setting up many shots from her right wing position. Coach Welch was pleased with the defensive performance of Ruth Siegfried, Kris Hall, Mary Ragland, Carmal Fabian, Sandy Vermazen, Shannon Barnes, and Mary Dixon.

The student body of Graceland is invited to attend all home and away games. Congratulations are extended to the entire field hockey team for their outstanding performance this past weekend.
